AI ASSISTANT
FOR FREELANCE PHOTOJOURNALISTS

Boost your communication.
Save time. Stay professional.

As a Camerapixo Press ID Card holder, you now have exclusive access to our AI-powered assistant designed specifically for freelance photojournalists.

This tool helps you write:

- Professional emails to organizers and editors
- Accreditation or assignment request letters
- Captions, bios, and press statements

Use it together with our **ONLINE LETTER GENERATORS** — just copy the text created by the AI assistant and paste it into the generator. Together, they make your workflow faster, clearer, and more effective.

Start using it now. **Scan QR CODE to open it**.
Note: You'll need a free or paid ChatGPT account to access this assistant. This tool is created exclusively for Certified Camerapixo Press members.

1. Generate a short description of your letter using the AI Assistant.

2. Paste it into the online letter generator — keep it clear and not too long.

DIGICARDONE

YOUR SMART DIGITAL BUSINESS CARD

Professional presence.
Real marketing power.

As a Camerapixo Press member, you also receive access to **DigiCardOne** — a powerful, customizable digital business card designed specifically for photographers and creatives.

But that's not all. To help you make the most of your card, we've created a dedicated **AI Marketing Assistant**.

This tool helps you:

- Write a promotional copy, and call-to-action
- Promote your card on social media or email
- Create engaging messages and lead-generation strategies

Use your digital business card effectively during events, networking, and outreach. Works online and offline.

Scan QR CODE to open AI Assistant.
