HOW TO USE THIS TRACKER: This tracker helps you record your progress as you complete each assignment or challenge. Use the checklist to note the date of completion and keep personal notes about each topic.

On the right, you'll find a set of progress squares corresponding to the total number of items in this tracker. Fill in or cross out each square as you complete assignments to create a visual record of how far you've come. Stay consistent, track your achievements, and celebrate every milestone in your photography journey.
